

History

Our history project will look at 'TO INFINITY AND BEYOND!' We will discuss events beyond living memory and changes within living memory, linked with Neil Armstrong and Tim Peake.

*What is the International Space station?
Where might we go next?*

Art/DT

Whilst looking at the moon landing in History, our DT project will focus on creating space buggies.

What materials are space vehicles made from?

English

We will be reading a range of fiction, non-fiction and poetry books.

Can I use adjectives I have not used before in my writing?

We will also have weekly spelling and phonic practise.

RE

Say hello to children from different faiths.

What can we learn from talking about God?

Maths

To start the term we will be sorting, counting and ordering objects and numbers and learning to use place value language.

Can I count forwards and backwards?

Can I count one more and one less?

Infants

Autumn Term

2017

Science

This term, we will be learning about Materials and using our space topic to investigate the uses of different materials.

What is waterproof?

PSHCE

We will be using circle time to listen to each other's points of view and learn how to take turns to speak and discuss ideas.

What are New Beginnings?

PE

We will be improving our balancing skills with Yoga and Gymnastics and encouraging creativity with Dance.

Can I improve my movements?
