

Geography

This topic will look at the comparisons between China and UK and research our country and China using atlases, the Internet and books.

Where is China?

Where is the Equator?

Hot and cold places of the world in relation to the Equator and the north and south poles

RE

What are symbols of faith and belonging?

What do Christians believe

God is like?

Maths

This term we will continue with our new Maths passport tasks in homework and in class.

We will learn about halves and quarters, count, read and write numbers up to 100 and begin to count in 2s, 5s and 10s.

Can I challenge myself?

Food Technology

Whilst following the Chinese topic we will explore Asian foods and learn what makes a varied diet.

What foods are eaten to

celebrate Chinese New Year?

English

We will read and act out the Chinese New Year story then create animal riddle poems.

Can I sequence sentences?

Our non-fiction writing will link to our Science project.

We will also have weekly spellings and daily phonics practise.

Infants Spring Term 2018

PE

We will be swimming every Monday afternoon and expressing ourselves through dance on Tuesday afternoons.

Can I improve my strokes?

Science

This term, we will be learning about Animals by identifying and comparing the structure of animals, learning about the lifecycles and the basic needs of animals for survival.

What do animals need to survive?

PSHCE

We will be using circle time to listen to each other's points of view and learn how to take turns to speak and discuss ideas about relationships and getting on and falling out.

What are good friends?
