

## History

Our history project is entitled: 'The history of British clothing from 1066 to the Present Day.'

We will be learning about changes of fashion, materials and manufacturing processes throughout the ages. We will also consider how these changes were brought about by developments in society.

*What is a houppelande?*

*When did doctors wear a mask shaped like a beak?*

## Art/DT

Our art and DT projects will be linked to our clothing topic. We will be looking at different materials and processes throughout the ages, culminating in a tie dye fashion show!

*Why is fashion important?*

## English

We will be focusing on a number of different types of texts this term including information, instruction and persuasive text types.

*What are the features of a persuasive text?*

## RE

This term in RE, we will be exploring what we value and why.

*What matters most to me?*

## Maths

To start the term, we will be developing our understanding of number and place value.

*Why is there no zero in the Roman numerals?*

*Which place value column do we need to look at when we round to the nearest 1000?*

## Juniors Autumn Term 2017

## Science

Using the stimulus of our clothing topic, we will be investigating the properties and changes of materials.

*How many clothing materials can you name?  
Can you sort these materials into man-made and natural?*

## PE

This term, we will be swimming and also developing our leadership skills through sport.

*Why do you have team captains?*

## PSHCE

The focus for PSHCE this term will be emotional health and well-being.

*What is emotional health?  
How can we develop our well-being?*
