

Topic

We will be looking at a significant local place of interest by visiting Ripley castle. This will enrich our knowledge of local history.

RE

This term we will be learning the story of Easter and how it is celebrated within the Christian church.

Numeracy

In Numeracy we will be continuing to develop our calculation skills and improve the speed of our mental maths. We will be using our fantastic outdoor environment to explore measuring and capacity. Finally, we will be using pictograms and bar charts to collect data.

DT

We will be improving our sewing skills by making animal puppets. If anyone has any spare time to support our sewing session please let us know.

Spring Term

Infants

Science

We will be working further on the theme animals, knowing the differences between groups such as mammals and amphibians. We hope to include a trip which will support our learning about this subject.

Literacy

We will be reading a huge range of books written by the amazing author, Julia Donaldson. Her books will support the learning of grammar and rhyming language. We will be using our wonderful grounds to create imaginative settings for our own stories.

French

We will be learning how to say the names of common animals and include these in songs and simple sentences.

PSHCE

We will be using circle time to listen to each other's points of view and discuss our feelings and thoughts. This will include British Values and Citizenship.
