THIS WEEK:

*It's
Christmaths!*

Today, the whole school took part in a 'Christ-MATHS' themed day of learning and everyone really enjoyed solving their Christ-MATHS themed problems! The children were presented with a range of mathematical based problem-solving activities. They had to work independently and as part of a group to get the correct solutions and there were prizes for some of the correct solutions!

Some of them were super tricky and required a lot of working out. Can you work out the solution to this tricky problem?

1 - Christmas Dinner (10 points)

The Christmas turkey dinner can come with the following extras.

Roast potatoes, roast parsnips, mashed potato, sprouts

How much should be charged for having roast potatoes & sprouts as extras?

Christmas Menu - Extras	
Roast Potatoes + Roast parsnips	£1.50
Mash + Roast parsnips	£1.80
Mash + Sprouts	£1.35

We have also set up a Sumdog account for each child. Sumdog is a fantastic website that allows the children to practice their maths, reading and spelling skills. The children's username, password and school code are contained inside their planner and they have all had a go at logging in so they should be familiar with the process.

The website to get onto Sumdog is: <https://www.sumdog.com>
