Weekly Newsletter

THIS WEEK:

Geoffrey and Thomas have kindly written our Newsletter this week:

On Wednesday the 7th we went with Bewerley Park to Greenhow. We pulled in at Greenhow and then we set out to walk to the mine. First we went through all the safety regulations.

Then we started to walk into the mine, and it was really wet. We saw allsorts of tools the miners used, and we really even saw 200 year old miners pool!

Geoffrey said 'Everybody really liked going into the mine. When they came out everybody thought the sun was touching them'.
