### THIS WEEK:

Welcome to the Summer term,

It certainly seems like we are getting closer. Class 1 have been out spotting signs of Spring, of which there are many.

We have lots planned this term and are busy planning even more exciting things to add to the diary. We will keep you updated as time goes by. You can see what the children will be learning on the topic webs that are posted on the website and the notice board in the playground.

This half term also brings SATs for the year sixes. They have worked hard all year and will be continuing to right up until May 14th, when the tests begin. We have every confidence in their abilities and will be wishing them good luck when the time arrives.

Last term Wharfe were the team to get the most ribbons on the tree and following today's team meeting have decided on having a 'come as you like' day. This means that on Monday 23rd April, the Wharfe team are invited to attend school wearing whatever they choose. The rest of the school should still be in their normal school uniform.

Have a good weekend and enjoy the warmer weather.

### Summer Sun

Please remember to apply sun screen to your child before school or send a non-aerosol bottle for use in school.

Please also ensure your child has a sunhat in school at all times.

Thank you

# Confirmed Dates for the Diary

- |  |  |  |
|--|--|--|
| <b>26th April</b> —Tri-Golf (Juniors)    | <b>11th June</b> —Year 1 Phonics Screening               | <b>12th July</b> —Y6 Transition at Nidderdale                    |

## Attendance & Punctuality

Infants attendance this week: 100%

Juniors attendance this week: 92.59%

Ofsted above average

target:

95.3%

**Class One:** We have really enjoyed the sunshine this week and been outside a lot! Our vets clinic has changed into a farm shop with flowers and vegetables and we have been writing shopping lists and giving change. On Thursday afternoon we had a Spring walk and saw lots of signs that Spring is finally here. There are some blue tits starting to nest in our boxes in the woods so we are looking forward to watching what happens.

### Consultation Proposal Dates

- 09.01.18—Consultation Opens
- 15.01.18—Public meeting at School
- 27.02.18—Consultation closes

- 19.04.18 —Statutory Notices
- 22.05.18—Final decision by CC Executive
- 31.08.18—Proposed school closure

### Class One Project

We would be very grateful for any donations of plastic plant containers for use in Class One to help with their Science work on the life cycle and growing conditions.

We would also be really grateful if anybody has any compost that they were able to donate.

Many thanks
