

THIS WEEK:

We have had a very busy learning week, despite having an unscheduled day off on Wednesday. We are really pleased to see that we have had a full 100% attendance for the remaining days school was open, which fits in really nicely as we are celebrating our Attendance achievements in assembly today.

Congratulations to the following children who have achieved above North Yorkshire County Council's average attendance of 96% with 25% of them also achieving a full 100% for the Autumn 2017 Term:-

Arthur Dawson

Bethany Mochrie

Joshua Mochrie

Angus Burniston

Finn Mulholland

Geoffrey Walmsley

Tuesday was National Handwriting Day which we embraced to give the children a chance to 're-explore the purity and power of handwriting'. There was lots of beautiful handwriting produced including poems and letter art.

The Year 6 boys are having lots of focussed SATs preparation time and are working extremely hard to ensure they are ready for the tests in May.

Class One are really looking forward to their trip to Wagamama's in Harrogate next week, where they will enjoy a tour of the restaurant, make fruit smoothies and enjoy some food cooking demonstrations. We hope they bring back some yummy treats for us!

Confirmed Dates for the Diary

1st February—

Skipping workshop

6th February—Ash

Wednesday Collective Worship

7th February—Firefighters

Clothing Collection

9th February—Break for

Half Term

19th February—Staff Training

Day

20th February—School re-opens

29th March—Year 6 Residential returns

29th March—Break for Easter holidays

16th April—School re-opens

Attendance & Punctuality

Infants attendance this week: 100%

Juniors attendance this week: 100%

Ofsted above average

target:

95.3%

Class One: This week we have done lots of hand-writing practice, looking at control, size and beginning to join up.

In Maths we are focusing on measuring, using sugar cubes. We are also looking at more and less than a metre and using centimetre.

In addition, we are learning about the Great wall of China and have made one out of sugar cubes and linked this to our measuring work.

Consultation Proposal Dates

09.01.18—Consultation Opens

15.01.18—Public meeting at School

27.02.18—Consultation closes

13.03.18—CC Executive considers responses

22.03.18 to
