Weekly Newsletter

THIS WEEK:

Geoffrey, Thomas and Mr S have had a wonderful time at Bewerley Park this week, undertaking lots of exciting adventures. The weather held out and made for a fabulous end to the Spring Term.

A local company, Hanslow Gas Services have very kindly sponsored an educational resource for our school via the Police Community Clubs of Great Britain. Your child will be bringing home the Barney and Echo book 'The Magic Mirror' which is an interactive book that deals with issues surrounding drugs, tobacco and alcohol.

We are pleased to confirm that we have secured a booking with Jon Steel who has played rugby union and rugby league at a very high level. Jon is the Franchisee of Rugbytots in our area and will be delivering a session to each of our classes on Wednesday 18th April. This will be a great opportunity for our children to develop their skills in this area. You can find more details about Jon here https://en.wikipedia.org/wiki/Jon_Steel

Finally, we would like to wish you all a wonderful Easter break and we look forward to welcoming you all back into school on Monday 16th April.

Class Two: While our Year 6 pupils have been on their Residential, the Year 3's and 4's have been working hard in English, creating Spooky Movie Trailers using 'Show, not tell' techniques to build tension and suspense. With their IT skills the children have produced two (quite terrifying!) pieces of film work.

In Maths the children have been doing Number: Addition and Subtraction, progressing from adding 3 digit and 1 digit numbers (with exchange), subtracting 1 digit numbers from 3 digit numbers (with exchange), through to adding 3 digit numbers to tens (with exchanging).

I have thoroughly enjoyed working with the children this week. Mrs Frankland
