

Art
This topic we will look at famous artists who use nature as their subject.

*Who is Andy Goldsworthy?
How do artists draw nature?*

RE
Questions that puzzle us!

*What can we learn from a religious building?
Why is the word God so important to Christians?*

Maths

This term we will continue with our new Maths passport tasks in homework and in class. We will continue to count, read and write numbers up to 100, with speed and confidence. We will also be learning to interpret data from pictograms and bar charts.

Can I create a bar chart?

Food Technology

We will be learning about different vegetables which we can grow in an English garden and how to use them in cooking.

Can I name a selection of vegetables?

Science

This term, we will be learning about the lifecycle of flowers, trees and plants. We will use the garden to explore growing conditions and plant lots of vegetables and seeds.

What do plants need to survive?

English

We will read and compare two different versions of the traditional tale - The Enormous Turnip.

Who is my favourite character and why?

We will be working very hard to learn all our phonics sounds for a Phonics test in June. We will send home weekly phonics to practise for homework

Infants Summer Term 2018

PE

On Tuesdays we will continue with Real PE.

On Wednesdays we will begin a dance topic then move onto Athletics to build our skills for a summer sports afternoon.

Can I move expressively to music?

PSHCE

We will be using circle time to listen to each other's points of view and learn how to take turns to speak and discuss ideas about going for goals.

What goals can I set for myself?
